

# BUNGALOW „BASIC“ VIA MONTEROVERE

The bungalows are simply furnished (bunk beds), but have their own shower and toilet as well as a fridge. We make pillows and blankets available to our guests.

We kindly ask our guests to bring their own linens (sheets or sleeping bags) and towels, but there is also the possibility to borrow them for a little price.

It is possible to reserve a parking space at Camp Via Monterovere.

All parking spaces are in a row in front of the bungalow area (not directly at the bungalow). Otherwise it is possible to park the vehicle in a public parking lot nearby.

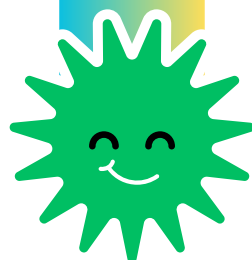

## KITCHEN

In the pre and post season, guests have to provide selfcatering. We kindly ask to bring dishes, cutlery and all the necessary items for cooking with you. Only little camping stoves are allowed (see picture, no electric stove or gas tank) and you can use them only outside the bungalow.

In July and August, our kitchen is open and therefore it is possible to eat at the Camp.

Meals are served as a buffet in the dining room. We offer tasteful dishes of Italian cuisine, which vary daily and there is always a vegetarian alternative.

## THE CAMPS

The SOS Summer Camp is divided in two camps: the Camp Via Monterovere located in the village of Caldonazzo, where the bungalows are located, and the Camp at the Lake. Both camps are about a 15 minuteswalk apart from each other.

Our guests have of course access to the private beach of SOS Summer Camp at the Camp at the Lake.

The Camp Via Monterovere is a quiet place, surrounded by the nature but also in a central position, not far from supermarkets and shops. It also has a little playground for the children.
